Mission Statement:

CLM's Municipal Committee's quarterly column in *CLM Magazine* should seek to provide relevant topics, practical skills, and innovative strategies for handling municipal issues related to coverage and insurance claims for the CLM readership (claims, risk, and litigation professionals). Each column should demonstrate the expertise and opinions of the authors in a way that helps educate and inform likeminded professionals on how they can do their jobs better and showcase the collaboration between CLM members and fellows.

Requirements:

- Columns should be between 900-1,100 words long and single-spaced in Word. No footnotes/end notes, and case citations should be limited to just the case name.
- Each column should contain a suggested headline as well as bylines for the authors. An example of an acceptable byline includes:
 - *Matthew J. Smith is founder and president of the CLM member firm of Smith, Rolfes & Skavdahl Co., LPA. He can be reached at msmith@smithrolfes.com.*
- All columns should be co-written by one CLM member (outside counsel) and one CLM fellow (industry/vendor rep), and a **high-resolution headshot** must be included for both.
- Both authors must be a current fellow or member of CLM.

Deadline:

Each column should be delivered 4-6 weeks in advance of the issue month.

Suggested deadlines include:

March Print Issue: Due January 24, 2020

June Print Issue: Due April 24, 2020
